

LOSE THE PAIN ON FRASER ISLAND

INTEGRATIVE PAIN MANAGEMENT:
HYPNOSIS AND BEYOND

**KINGFISHER BAY RESORT, FRASER ISLAND, QLD
7-10 SEPTEMBER 2017**

World Heritage-listed Fraser Island is a rare and beautiful holiday destination, at the start of the Great Barrier Reef, offering a refreshing change from the bustle of mainland Australia and the resort islands of Queensland's north.

The island's untamed wilderness and rugged, natural charm entices from the first, providing 4WD adventure and excitement, but also a relaxing atmosphere from your base here at beautiful, eco-friendly Kingfisher Bay Resort.

The members and Committee of the Qld Branch of the Australian Society of Hypnosis invite you to join with us for our 47th Annual Conference, which will be held at the Kingfisher Bay Resort, Fraser Island, QLD, Queensland, Australia, 7-10 September 2017.

LOSE THE PAIN ON FRASER ISLAND

**INTEGRATIVE PAIN MANAGEMENT:
HYPNOSIS AND BEYOND**

VENUE

Kingfisher Bay Resort, Fraser Island QLD, Australia

Once here, at Kingfisher Bay Resort, slip into island living and explore the hundreds of tracks which criss-cross the world's largest sand island. Nature's art-gallery turns on seasonal exhibitions: wild spring flowers, lazy summer days, the colours of autumn and wintry wilderness. And all this is just a 45-minute flight from Brisbane and a short hop from Hervey Bay on the stunning Fraser Coast

Directions from Brisbane

The journey is approximately 4 – 4 1/2 hours drive north of Brisbane City. Join the Bruce Highway north of Brisbane. Stay on the highway through Gympie then take the Maryborough exit off the Highway onto the Maryborough Hervey Bay Road.

From Maryborough, follow the Maryborough-Hervey Bay Road North toward Hervey Bay (16.8kms). At the large round-about, take the Booral Road exit and travel for approximately 12kms. Then, turn right into River Heads Road and travel a further 9.6kms to arrive at Kingfisher Bay's Mainland Reception located at River Heads Shopping Village (on your right hand side). River Heads Road is locally named Ariadne Street.
